

The Art of  
Alpine Luxury. **7132**

## The Art of Meeting

At 7132, everything focuses on your business. Fully equipped meeting rooms with state-of-the-art infrastructure and plenty of natural light. Designed in ways that are not just fit for purpose but that create the right ambience. Not least, there is the extra kick called motivation: look forward to fine dining, soaking in the 7132 Thermal Baths, and touring the archaic alpine world. Business and recreation, your mind and your senses: Staying at 7132 is a treat any way you look at it.

Take advantage of the know-how and experience of our event team and have them compile a quote for your business event that is tailored to your personal ideas and needs.

## Meeting Rooms

All rooms are equipped with modern infrastructure and boast plenty of natural light partially through floor-to-ceiling windows. The daily rate for the rooms Seven, One, Three and Two is CHF 50 per day per person and includes water and coffee for self-service.

The equipment in these rooms includes WiFi, a screen with ClickShare technology, dimmable lights and opaque blinds that are easily controllable via iPad, a pinboard and flipchart as well as a presenter's case. Additionally, in room Seven there is a generous service niche.

### 7132 Sky Meeting Room

The 7132 Sky Meeting Room combines privacy with absolute exclusivity. What is probably the most beautiful meeting room in the Swiss Alps convinces with a bright ambience through floor-to-ceiling windows and a gorgeous view over the picturesque village and the archaic mountains. Host your next board-meeting in this unique room, designed by celebrated architect Kengo Kuma including a spacious terrace. Daily rates available on request

7132 Silver

### 7132 Silver

The menu at 7132 Silver with its 30 seats bears the signature of Head Chef Mitja Birlo. His team presents a creative and modern cuisine in an imaginative way and uses only highest quality products. His culinary creations are based on the natural flavours of seasonal ingredients. At Restaurant Silver, awarded two Michelin Stars and 18 Gault&Millau Points, food becomes an experience

7132 Cristal

### 7132 Cristal

At the heart of Mitja Birlo's territory, the most exclusive kitchen table in the world accommodates up to 8 people. Fine Dining, that combines local products with a modern concept. Attention to detail, the combination of ingredients as well as aromatic blends are the substance of every dish. Let yourself be inspired by 7132 Cristal and follow the delicate bubbles to Vals.

7132 Red

### 7132 Red

Head Chef Patrick Siekendieck prepares delicacies for up to 60 guests in the traditional French/Italian Grand Restaurant. The crew at Restaurant Red which has been awarded 15 Gault&Millau Points, creates classic dishes from the freshest ingredients. Your hosts, Maître Matteo and his team take care of you in the restaurant - whole fish in a salt crust or Spaghetti Don Remo prepared at the table?

## 7132 DaPapà

Benvenuto at Restaurant DaPapà. Homemade pizza from the woodfire oven, authentic pasta creations and Salumi await you in a family-like atmosphere. The restaurant with 60 seats lives the Dolce Vita with Italian prosciutto and the best wines from Tuscany and Piedmont. The authentic furniture and black-and-white pictures on the wall take you back to the times of Cinecittà and Federico Fellini.

## 7132 Glenner

At Glenner Restaurant, things get cosy with traditional Siss specialties served in a simplistic way. Swiss barley soup or cheese fondue made according to the house-recipe. Here, guests and locals meet to enjoy and have a good time together. Uncomplicated food of highest quality and sourced locally – it's worth being hungry and having time to spend among friends. The restaurant is located in the village centre, reachable on foot in 10 minutes from the hotel.

## 7132 House of Architects – The Art of Design

Experience world renown design at the 7132 House of Architects: four internationally acclaimed architects Tadao Ando, Kengo Kuma, Thom Mayne and Peter Zumthor realized their visions. All rooms are individually designed, 20m<sup>2</sup> in size and have a balcony.

The inspiration behind the architecture is minimalistic luxury and the connection with nature - as shown through the use of wooden materials or Vals Quartzite stone. The 7132 Thermal Baths and the 7132 Hotel 5<sup>s</sup> with its restaurants, the bar and the gym are easily reachable through a glassed passageway.

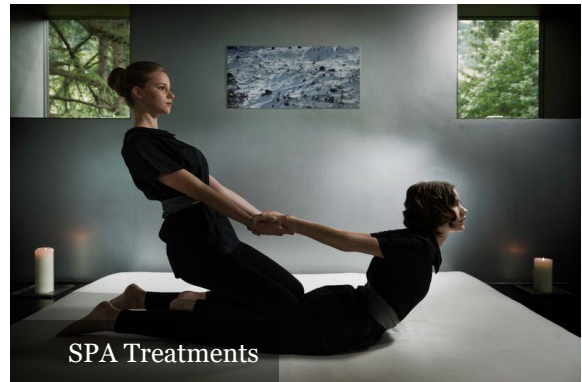

## Additional Services

### 7132 Thermal Baths and Spa

The highly mineral water and the high walls of Vals Quartzite in 6 indoor and outdoor pools make for a unique atmosphere in the 7132 Thermal Baths. Let our professionally trained therapists pamper you with a treatment using ESPA products after a long day full of meetings.

### 7132 Helicopter

A transfer from the closest landing strip next to your home, flying over the glaciers, or a short trip to Ticino – being the only Swiss hotel with its private helicopter there are no limits to your experience. Our event team is happy to create a unique helicopter package for your business event.
