

**I have special dietary requirements – can I still reserve a table?**

Due to the fact that our cuisine relies entirely on natural ingredients, we are not able to allow for all intolerances and allergies and do not offer a vegan menu. If you would like changes to be made to the menu due to dietary restrictions, including vegetarian dishes, please let us know at least 48 hours prior to your reservation.

**How much time should I allow for this culinary journey?**

We recommend setting aside at least three and a half hours. This way you can take all the time in the world to savour the experience to the fullest.

**Can I cancel my reservation?**

You can cancel or amend your reservation until 2 days prior to your arrival free of charge. For cancellations later than that your credit card will be charged with 50% of the menu price per person.

**Are pets allowed?**

Your pet will have to do without you during this time: we do not allow animals in the restaurant.

**Is there a dress code?**

We want you to feel comfortable and enjoy yourself in an informal, carefree atmosphere. For this reason, we do not have a dress code.

**Are children allowed?**

This decision is up to you. If your children would like to spend three and a half hours with you at the table, they are more than welcome. Please note that we do not offer special children menus. However, if you let us know when making your reservation we will be happy to serve a child-friendly menu.
